

Tackle Kids Cancer Eli's Challenge

Cash Handling Policy

Policy Statement:

It is the policy of Tackle Kids Cancer (TKC) and Hackensack University Medical Center (HackensackUMC) to have cash donations delivered in person or deposited into a personal account and a check or money order made payable to HackensackUMC sent directly to the Foundation office. TKC and HackensackUMC are not responsible for cash sent via the United States Postal Service or other shipping service. TKC and HackensackUMC cannot guarantee the secure and complete delivery of any form of cash donations.

Guidelines:

Cash donations are best managed by collecting each donation from the donor, along with the donor's personal and contact information (name, address, phone, email, etc.). This information should be recorded on the Offline Gift Form (available on the Eli's Challenge website). The cash donations should be deposited into a personal bank account and a single check or money order should be prepared, payable to HackensackUMC. The check/money order and Offline Gift Form should be mailed to **Tackle Kids Cancer, c/o HackensackUMC Foundation, 360 Essex St., Ste. 301, Hackensack, NJ 07601-8566.**

If the community fundraiser is unable to complete the above requirements, please contact Tackle Kids Cancer at 844-775-KIDS (5437) in order to make arrangements to personally drop off the cash contributions or discuss other options.

All other inquiries regarding the safe and proper handling of cash contributions should be sent to info@TackleKidsCancer.org.
