Medical Center Foundation

Hackensack Meridian
Children's Health at
Joseph M. Sanzari Children's Hospital

Dear Friends,

The **NICUSTRONG** Committee at Hackensack Meridian Children's Health at Joseph M. Sanzari Children's Hospital will host its Annual **NICUSTRONG WALK** on Sunday, September 10, 2023 at Van Saun Park in Paramus, NJ. The event supports vital equipment, as well as patient and family needs for the Neonatal Intensive Care Unit (NICU) at the medical center.

With over 900 admissions yearly, the NICU provides an array of services, including neonatal transport, intravenous nutrition, mechanical ventilation, high-frequency oscillation (rapid ventilation up to 900 breaths per minute), body cooling for newborns and inhaled nitric oxide. The **NICUSTRONG** fund has raised more than \$400,000 to benefit the professional development of our clinical team, supportive parent programs and much needed research. In 2021, **NICUSTRONG** officially partnered with the March of Dimes to create a Family Support Program. Funded in conjunction with a grant from the March of Dimes, this program provides valuable resources to families as they adjust to life in the NICU.

NICUSTRONG represents the strength of the families, babies and the strong bond with the hospital team (doctors, nurses and other clinical and administrative teams). Each year, we gather with our amazing families and teams sharing stories, **NICUSTRONG** journeys, photos and so much more. We invite you to join us in sponsoring the **NICUSTRONG WALK**.

On the reverse side, please find the available sponsorship opportunities or visit GiveHMH.org/NICUSTRONGWalk. Please contact Danielle Binn at danielle.binn@hmn.org with questions. We look forward to your commitment to our **NICUSTRONG** families!

With gratitude,
The **NICUSTRONG** Committee
